

PESTICIDES

**All things are poisons, for there is
nothing without poisonous qualities.
It is only the dose which makes a
thing poison.**

ACTION
SOLUTION

- There are already temporary solutions but they need to be converted to permanent
- With support of local government and pesticides dealer stores it can be organised collecting of empty bottles of pesticides.
- In all of that local NGO can support and participate with education and promotion of project
- System needed to be created so it can be sustainable and controlled
